

Att: Lynda Baker

Dear Lynda,

We are writing this letter to let you know how pleased we were with one of your employees, Mike Meditz. He was a gentleman from beginning to end and advised us every step of the way with the sale of our home in Old Bethpage.

We have recommended him to our friends who are also selling in Old Bethpage.

Usually people write a letter to complain and we just wanted to express our thanks for all his help in the sale of our house.

Sincerely,

Carin & Stu Fleisch
